

# Olesia Platonova

Birth date: 31/01/1999, 23 y.o	Phone N: +33 7 68 11 63 57
Email: olesya.pla99@gmail.com Website: lespl.github.io	Current Location: Paris, France

## Formation

- 2020 - present - master in **Cognitive and Computational Linguistics** at Tomsk State University, Russia, specialization: cognitive linguistics; a budgetary form of study + merit-based scholarship;
- 2020 - present - master in **Projects in International and European Cultural Engineering** at University of Burgundy Franche-Comté, France, merit-based scholarship from the faculty;
- 2016 - 2020 - undergraduate program in **Fundamental and Applied Linguistics** at Novosibirsk State University, Russia specialization: neurolinguistics. Budgetary form of study, an increased state academic scholarship (2017 – 2020), **GPA: 4,66 / 5,00**;
- 2015 - 2016 - student of the Specialized Educational and Scientific Center (SESC NSU), Novosibirsk, Russia.

## Exchange programs

- January - June 2021 - ERASMUS exchange program in Liege, Belgium, Faculty of **Communication**, scholarship of the Bourgogne Franche-Comté region, Erasmus study abroad scholarship;
- September - December 2019 - international student exchange at the University of Nantes, Department of **Psychology**, an intensive French language course (B2);
- June - Sept 2018 - intercultural exchange program “Work and Travel”, Texas, USA.

## Experience

- **Selected research projects:** December 2020 - present - **perceptual semantics** during surface lexical processing at the Potsdam Embodied Cognition Group, Germany. Scientific supervisor - Dr. Alex Miklashevsky; see pre-published results;

Platonova O. , Miklashevsky A. *Warm + fuzzy: Perceptual semantics can be activated even during surface lexical processing* was presented and published in:

- Proceedings of Embodied and Situated Language Processing, November 2021;

- Proceedings of the International Youth Scientific Conference 'Lomonosov-2021', April 17. Moscow State University, section 'Actual problems of cognitive linguistics';
- *September 2020 - May 2021* - influence of differences in **grammatical categorization** on the **object conceptualization**: Russian-French language interaction; Laboratory of linguistic anthropology, Tomsk, Russia. Scientific supervisor - Dr. Zoya Rezanova;
  - 5th International Neurobiology of Speech and Language Conference, November 2021
- *2017 - 2020* - intern at the Laboratory of Differential Psychophysiology, Research Institute of Physiology and Fundamental Medicine, Novosibirsk - behavioral and EEG experiments, preprocessing of EEG records, data processing by statistical methods, results description. Scientific supervisor - Dr. Alexander Savostyanov;
  - *Neuroscience for medicine and psychology*. Crimea, 2020. P. 375. DOI:10.29003/m1208.sudak.ns2020-16/375-376;
  - *Proceedings of the international students scientific conference 'Lomonosov-2020'*, November 11, 2020. Moscow State University, section of Psychology. Scientific novelty award ;
  - *Proceedings of the 58th international students scientific conference*, April, 16-20, 2020. Applied Linguistics section;
  - Presented at *XXIII Open Conference for Philology Students* at St. Petersburg State University.
- **Working experience:** *September 2021 - present* - alternance/apprenticeship at Elapse: research and project development for experimental performing art company. Currently working on staging dreams and reading minds; as well as developing collaborations between research institutions and artists for a new European project. Paris, France;
- *September - December 2019* - internship in the educational center for bilingual children "Russies étonNantes", Nantes, France;
- *2018 - 2020* - private tutoring in mathematics, English and French for children and adults,;
- *2017 - 2018* - head of the radio studio at the Specialized Educational and Scientific Center NSU, Novosibirsk - leading the project, coordinating working process;
- **Volunteer experience:** *Sept 2018 - present* - participation in cognitive and neuro experiments (ex, labs at HSE, NSU, NeuroSpin, etc);
- *February 2022* - volunteering at the festival "Roumanie, futur de l'Europe" in Dijon, France;
- *January 2019* - organizing a "CompTech NSK - 2019" computational winter school, managing volunteer team;

- *Sept 2017 - June 2019* - general manager of the Sinestetica Theater, Novosibirsk - project management, organizational coordination of the process and communication;
- *2016 - 2019* - volunteer at university events: “Open Doors Day” 02/10/2019, “Total Dictation” spring 2017, “Open Space Picnic” 1/09/2017, organizer of the traditional Christmas game (> 1000 participants) 2018, 2019; “Science Cinema Days” 25/11/2017;
- *July - August 2017 and 2016* - coordinator of extracurricular activities (>800 participants) at the Summer School of the Scientific Center in NSU, Novosibirsk.

### Supplementary education

- *July 2022 (upcoming)* - summer school “Coping with the complexity in speech production and perception”, Chorin, Germany;
- *January 2021* - online course “Statistical methods for Humanities”, Coursera;
- *December 2020* - Experimental Studies of Language and Speech: Bilingualism and Multilingualism (E-SoLaS 2020) school;
- *June 2020* - Brain and Mind workshop at “the SummerSchool”;
- *June 2020* - online course “Psycholinguistics”, St. Petersburg State University, Coursera;
- *May 2020* - scholarship for the summer school “NY - St. Petersburg Institute of Linguistics, Cognition and Culture: NYI-2020” ;
- *April 2020* - online school “BCI & Neurotechnology Spring School”, April 20-24, 2020, organized by g.tec medical engineering;
- *January 2020* - participant of the Winter Psychology School at the Higher School of Economics, the training center of the Higher School of Economics “Voronovo”, Russia;
- *2019* - online course “Understanding the Brain: The Neurobiology of Everyday Life”, The University of Chicago, Coursera;
- *2019* - Winter School of Computer Technology “CompTech@NSK WS 2019”, Novosibirsk - March 2019;
- *2018* - School of the Skolkovo Open University “Innovator Navigator”, October 2018;
- *2016* - “School of Scientific Communication” at Novosibirsk State University.

### Languages

**Russian** (mother tongue), **English** (advanced), **French** (intermediate).
